

DOOR COUNTY BROADBAND ACCEPTABLE USE POLICY

1. Definitions:

“Service” - shall mean DCB’s broadband phone service.

“Device” - shall mean a DCB-provided telephone adapter.

2. Unlimited Voice Services. DCB reserves the right to periodically review usage levels of unlimited minute service plans to ensure that you are not using such service in violation of this Acceptable Use Policy (“AUP”) and if such an abuse or violation is discovered to terminate or adjust the plan as appropriate. You agree to use the unlimited minute service plans for traditional voice or fax call of a duration comparable to that of the average residential or small business customer presently utilizing DCB’s service and will not employ methods, devices or procedures to take advantage of unlimited plans by using the voice or fax services excessively or for means not intended by DCB. Excessive use is defined by DCB as use that substantially exceeds the average call volume or duration used by all other DCB unlimited plan customers, and attempting to originate or terminate multiple concurrent phone calls through any single line of service. The following types of services are specifically prohibited and may not be accessed through DCB’s unlimited voice service plan: conference calling, monitoring services, data transmissions, transmission of broadcasts or transmission of recorded material. DCB may terminate your service or change your service plan if, in its sole discretion, DCB determines that your use of the unlimited plan violates this prohibition or is otherwise “unreasonable” or results in abuse of the unlimited minute service plan.

3. Unreasonable Use. We consider your use of our Service to be “unreasonable” and therefore subject to immediate termination if you:

3.2 Set up routing functionality such that only outbound long-distance traffic is sent over the unlimited Service; or

5. Short Duration Calls. DCB reserves the right to charge all short duration calls (calls under 10 seconds in length) a ten-cent (10¢) per call assessment if DCB determines, in its sole discretion, that you have an excessive volume (more than 10% of your total calls in any given month) of calls that consist of such short duration calls. You agree that calls, as defined herein for billing purposes, shall include all call traffic when accepted by DCB or its underlying carriers for termination whether such calls are terminated or not for any reason ("incomplete calls"). DCB will bill you for all calls completed to DCB's facility or equipment or that of DCB's underlying carriers regardless if the call is completed to the called party. Accordingly, you understand your obligations in regards to incomplete calls and agree that DCB shall incur no liability as a result of or, in relation to, said incomplete call.
